

From the PRESIDENT'S DESK

Dear Fellow-Member,

Everything we do here at the Catholic Club centers around passion and perspective. With our drive and focus towards Member centricity, we are committed to making a difference one step at a time.

With a successful start, the month of July turned out to be a fulfilling experience for all of us. 'Showers of Blessings', our Faith programme brought us together as a community creating a stronger bond with our Members by invoking God's blessings. Fr. Ivan Sanctis, Fr. Shashi Kiran and Fr. Francis D'souza's blessings on the Managing Committee was much appreciated and Fr. Ivan's message was of great inspiration to our members. The choir conducted by Samantha Andrade Pais was amazing with an enthralling performance by the children.

Furthermore, with our efforts to curate initiatives towards enhancing Member engagement, many of our programmes such as the Ladies Coffee Morning, iBrowse children programmes, The Romp and more, ensured that our Members were constantly engaged; equally involved and as participative in creating memories to treasure. Sportico has been hyperactive with a revival of the Treasure Hunt and also the Bangalore Squash League was conducted in the club which was a great success with high participation. Congratulations to the winners and all the participants.

The Friday Bar Nights, the musical evenings on Saturday's and the Sunday Brunches continue to rock the club on the weekends. We are glad to see more Members visiting the club to attend these events.

Apart from our programmes we have seen new specials introduced by the Cafeteria on a daily basis as well as on the weekends. Our e-newsletter 'Catch-Up' was well appreciated for creating a culture of inclusivity by featuring insights from our Members and most importantly our employees as well. Representatives of our Committee will conduct a staff meeting to address avenues to enhance relationships with our Members.

It is really heartening to see so many members getting involved in the various sub-committees. We are sure with their ideas and your participation we can definitely take our club to greater heights. We are glad to inform you Members that we have appointed Mr. Abhishek George as Operations Manager from the 1st of July 2022. His role is to take charge of the entire operations of the club. He is a hands on gentleman and will be of great assistance to all of us. We welcome him to our Family Club and wish him the very best. It is rather unfortunate that in the recent past there have been a number of incidents among our members and their guests of disciplinary concern and action had to be taken. We request Members to adhere to the rules strictly and maintain the decorum of the Club.

The Managing Committee of Catholic Club is committed to constantly improving the Club and gearing ourselves towards member-centric initiatives at all times. Your comments and suggestions are welcome and will assist us in continuously improving our Club.

We look forward to seeing you all on Family Day scheduled for Monday, August 15th, where we will have a Holy Mass at St. Patrick's Church at 10 am, followed by Flag Hoisting at the Club. On this day, we plan to have plenty of activities lined up for all. Thank you once again for your continued support!

Wishing all my Dear Members, a very "Happy Independence Day" and a "Blessed Feast of our Lady of Assumption".

Warm Regards,

Ricky Patel
President

BILLIARD

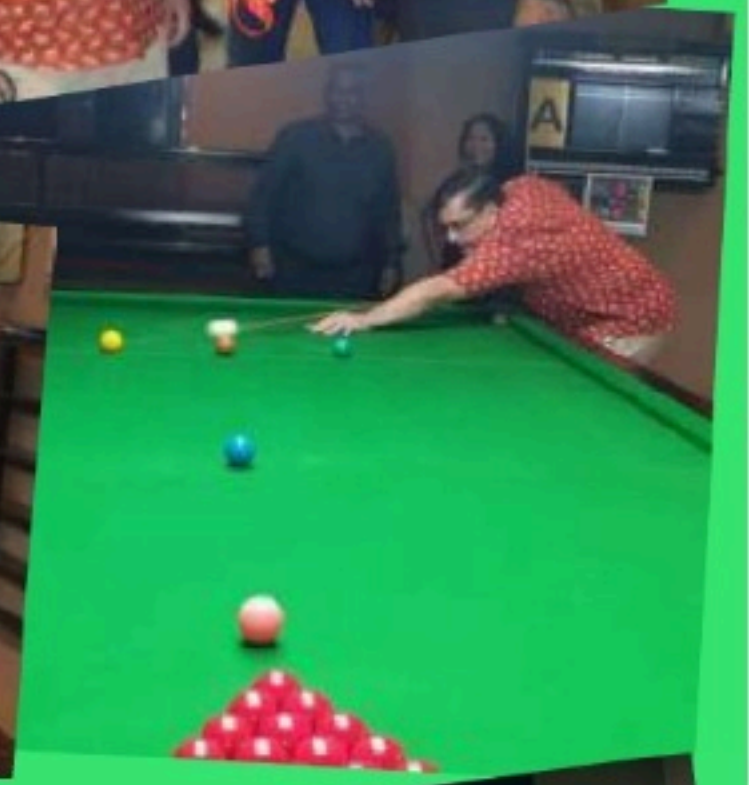

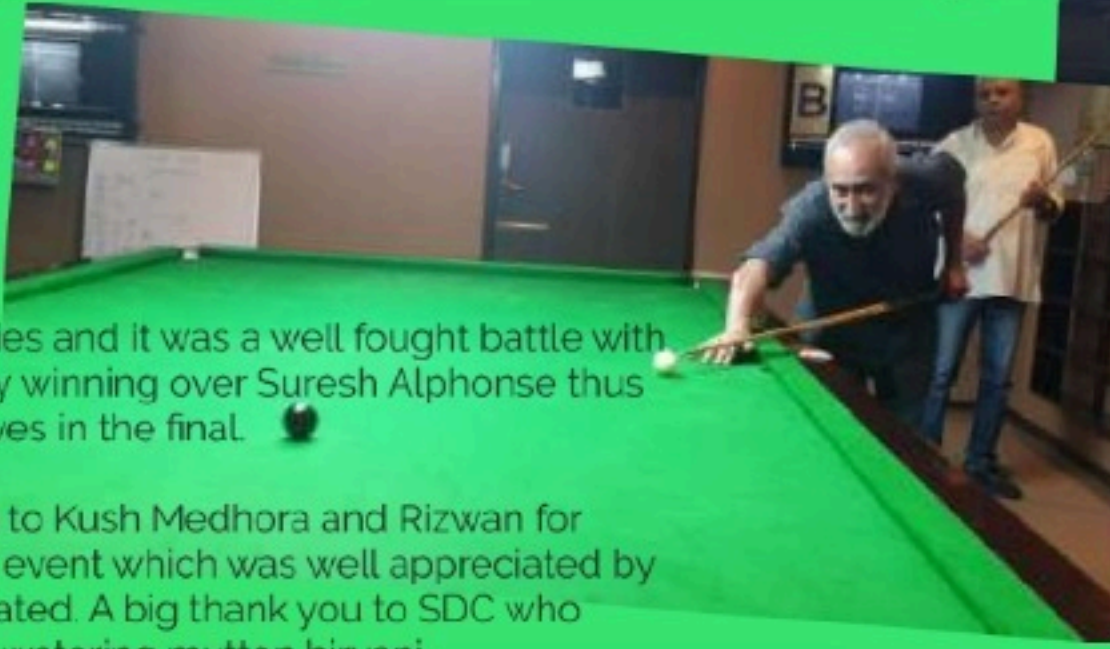

We had a fun filled day – inauguration of the renovated Billiards Room by our President Mr. Ricky Patel.

The President and MIC Billiards were present on the dot of time, but as it goes without saying IST, we got the inauguration done at 12.00noon. President gave his best shot on the table and got the color ball tournament going!

We had 23 entries and it was a well fought battle with Bernard Chandy winning over Suresh Alphonse thus holding his nerves in the final.

A big thank you to Kush Medhora and Rizwan for sponsoring this event which was well appreciated by all who participated. A big thank you to SDC who catered mouth-watering mutton biryani. Thank you Ricky and Mel for the support. However the peanuts were missing!

CONGRATULATIONS!
The ColorBall Tournament
Winner: Bernard Chandy.
Runner-up: Suresh Alphonso.

Hello members

It gives me great privilege to take over Billiards room for the year 2022-2023. It has been a great journey for me from the time I learnt playing snookers and billiards way back in 1980-81.

We have planned many Inter Club Tournaments for the year along with the participation of Catholic Club members in Inter Club Tournament.

We have to shine and excel in all formats of the games played on the green table, for which we require more practice and good tables to play on. As both our tables were not in good condition, we have decided to retrench the cloths and also attend to the cushions which have been giving us players a lot of issues. When we are doing the table works we also decided to have the room painted. By the time this news letter comes out, we would have finished all the necessary works required to be done in Billiards room.

We would be conducting our annual XXXVII CAPTAIN GEORGE MATHIAS MEMORIAL INTER CLUB SNOOKER TOURNAMENT from 25th Aug 2022; however, we are waiting for the confirmed dates from KSBA. We would want good and strong participation from our Club. Get on with the game and improvise.

We have also changed the pool table cloth, encouraging the youngsters to learn the game and become champions one day.

Members utilizing the room are requested to kindly maintain decorum inside the room.

Members, who are in arrears of table damages, should clear their dues by the 15th of Aug 2022 without fail.

We have as my Sub Committee members, who you can reach out:

1. Kush Medhora
2. KT Thomas
3. Eugene Victor

Constructive Feedbacks and suggestions are welcome and could be mailed to mic-billiards@catholicclub.com and we would try to implement the same if possible.

Wishing you all fruitful year to come.

Cheers

But this time round we decided to kick-start the entertainment with the 1st DJ Night on the 23rd July. **DJ Roly** was tasked with entertaining members for the evening and he really took up the mantle and played the best of retro, disco and commercial hits with over 600 members and guests; a record attendance for a successful Saturday night.

Entertainment is going to be back in full swing at the Club with a whole lot of music, fun, interesting and entertaining programs.

ESTATE

Hello members.

It gives me great privilege to take over as MIC Estate for the year 2022-2023. This being my subject I will try my level best and do justice to the portfolio entrusted to me.

I have already gone around and conducted surprise checks and found the procedure was missing. I have started to implementing continuous process to have our Club functioning to its capacity.

Very shortly we would be taking the AGM approved projects and would see the Chambers being renovated, followed by the Ball Room rest rooms, Sportico rest rooms and the Swimming pool rest rooms.

All our rain water harvesting pits are going to be cleaned and charge more rainwater into our soil.

Constructive feedback and suggestions are welcome! Please mail me @ mic-estate@catholicclub.com and we will try to implement the same if possible.

Meeting the authors of THE LITTLE HANDBOOK OF COOL TECHNOLOGY

My brother and me were in for a pleasant surprise when my parents took us for the iKidz interactive event with the authors of the Cool Technology book. The book makes technology we use every day, easy for us kids to understand in a fun and educational way, through interesting pictures and the conversations of its characters, Alia & Copa. The authors **Shalini and Raam**, who wrote this book during the COVID lockdown, with their little daughter Disha as an inspiration, have put a lot of thought and effort in bringing this out.

We had a lot of fun interacting with the authors, as they encouraged discussions with us kids about different technologies like the Internet, Search Engines, AI, IoT etc., explaining to us in simple terms how they work. This session was amazing for both kids and parents has made me more inquisitive about the technology around us, wanting to explore more.

I am enjoying reading this book and look forward to reading the future books to come in this series as the authors had promised.

INDOOR / OUTDOOR GAMES
THE TREASURE HUNT

Thanks to Covid, this event could not be held for over 2 years.

But this year it was back with a bang! A record 23 teams were in the fray for top honours. There were children with their parents, out to have fun, youngsters with same colored outfits and the young-at-heart, all determined to crack the GaVinci codes.

They battled with solving cryptic clues that took them on a circuitous route before returning to the Club.

In between they had to solve other clues to find out what items they had to collect and submit along with their entries.

The camaraderie was awesome and the beer and biryani session, on their return saw some animated discussions on the answers to the clues.

All in all, every participant said they had thoroughly enjoyed themselves!

SAINTS & SINNERS

Showers of Blessing

How apt that the theme for the first Faith event held on July 9th was "Showers of Blessings." Even though the heavens opened up and the rain came down in torrents, this did not stop our CC Members from attending in large numbers. With the newly elected Catholic Club Committee and their spouses leading the way, the ballroom saw a full house.

This was the first Faith event headed by MIC - Lady Member, Mrs Lunita Pais D'sa, and her new Sub-Committee.

We thank Rev. Fr. Ivan Ian Sanctis, Fr. Francis D'souza, Fr. Shashi Kiran and Bro. Francis Fernandes and Bro. Ruben for their presence, blessings and meaningful messages to the faithful.

Leading the Praise and Worship was the talented Mrs. Samantha Pais with her energetic, youthful and definitely very melodious choir. This choir spans all faiths and is called "**The August Ensemble**". They are an offshoot of the August Music Productions School.

The young choir kept all in a foot-tapping, hand-clapping mood with their exuberance and their delightful choice of hymns. They started off with "My God is Able" followed by "Rise Up." Louella D'souza led the Prayers of the Faithful.

To the soft glow of hand-held candles, the choir sang "The Blessing" and "This Little Light of Mine", Then a special blessing was invoked for all. "You raise Me Up", "You say," and the finale "Happy Day" left everyone in a happy mood.

Trays of sparkling crystal rosaries were then blessed and handed over to each family who came. As a encore finale, the choir sang "As I kneel Before You"

A guest appearance request had Samantha Pais & Priya Mendens singing Power of Your Love. The club canteen served hot soup & sandwiches to all.

A special mention must be made of the beautiful lush bouquets that decorated the altar which were lovingly put together and donated by Ms. Rennie. Thankyou!

This beautiful event would not have been possible without the support of our President, Mr. Ricky Patel. A big thank you to my able Faith subcommittee - Louella Dsouza & Vinita Thamboochetty (overall décor and planning), Shanti Peres (MC for the evening), Tessa Ramapuram (vote of thanks), background support - Naomi Sequeira, Anita Fernandes and Lukose Abraham. A special shout-out also goes to Rohini Majella (poster) and to Mrs. Vani Santosh for her invaluable help.

See you at our next Faith event
- Saturday 20th August 2022.
