The Catholic Club Monthly Newsletter February 2026

## PRESIDENT'S REPORT

### Dear Members,

I hope the year has started well for everyone, especially for those who have taken up new resolutions.

After a hectic festive season, the Club has now returned to its usual charm, with all decorations and lighting carefully taken down.

The month of February, when life is overflowing, promises to be an exciting one. The Carnival, in association with Karnataka Goan Association, will keep you, our dear Members, thoroughly entertained before we enter the Lenten period.

We also look forward to several activities in February, including Sassy Seniors, the Table Tennis Tournament, Snooker Tournaments, and Badminton Tournaments. Congratulations and a big thank you to all the Committee Members for their dedication and hard work in organizing these events across their departments.

There is never a dull moment at the Catholic Club. Friday and Saturday nights, along with our Sunday brunches, continue to rock with a jam-packed dance floor.

The Catholic Club's main kitchen is in need of a facelift. The Managing Committee has discussed this and agreed that a complete makeover is the need of the hour. We will keep you updated on the progress.

The Lenten season begins on February 18th (Ash Wednesday). This year, let us do something different - sacrifice something meaningful and share with the less fortunate. Kindly consider donating to the CCOT.

As we celebrate 75 years since the founding of our Catholic Club, the Management has selected special merchandise for our Members. Please contact the Block B Reception to book your merchandise along with payment.

Lt. Col.  
Pradeep Shoury Arya

Managing Committee proudly extends its heartiest congratulations to Lt. Col. Pradeep Shoury Arya, IRS, SHAURYA CHAKRA, VISITH SEVA MEDAL, on being Awarded the SENA MEDAL (Gallantry), on the eve of the 77th Republic Day, 2026 for Narco - Terror Operations.

Wishing all my dear Members a blessed Lenten season - one that allows us to reflect on our lives and correct our ways in a manner pleasing to the Lord. May Almighty God bless you and your family with good health, happiness, and a spirit of prayer for those in need.

Warm regards

**Jude Rajesh Ferrao**

## CARDS

We are delighted to share some exciting updates and achievements with you all.

The 2025–26 season witnessed the successful conduct of the inaugural Edwin David (Sami) Memorial Tournament (21 Cards). This event was a resounding success, made possible through the generous support of our senior member Mr. Noel Saldana, the main sponsor, along with the unwavering cooperation of the Catholic Club Managing Committee.

From the proceeds of the tournament, a sum of Rs. 50,000 was donated towards Catholic Club Orphans Trust. This achievement would not have been possible without the patronage and encouragement of our valued members, whose continued support enables us to organize engaging events while maintaining the highest standards of service. We extend our heartfelt gratitude to everyone who contributed to making this tournament a truly memorable experience.

Looking ahead, we remain committed to building on this momentum and further enhancing the Cards Room experience for our members. A true testament to the dedication and continued patronage of our members.

In addition, a monthly members-only tournament has been successfully organized since July 2025, further strengthening fellowship and enthusiasm within our Cards Room community.

A sincere note of thanks to the President, Vice President, Treasurer, Secretary, and the Managing Committee for their invaluable guidance and support. We would also like to place on record our appreciation for the dedicated services of our staff - Das, Prem, and Palini - whose efforts contribute significantly to our smooth operations.

On behalf of the entire Cards Room Committee, I extend my warmest wishes to all members. We eagerly look forward to introducing new initiatives, tournaments, and opportunities for continued fellowship and enjoyment.

Warm regards,

# TABLE TENNIS

## **TT Ranking Competition 2026**

The time is ripe for a Ranking Competition of all our TT players in the club. The last competition only did a broad grading of all players into A-D. Since however, many new players have joined and most of the existing players have greatly improved their game. Hence a need to do a fresh RANKING competition. There will be separate ranks for Men and Women.

Ranking players helps when conducting a league, where team owners need to know the caliber of the player they are including in their group during the auction. It also helps when choosing players to represent the club in Inter Club tournaments.

We plan to have this tournament in February/March during Lent where we anticipate that the ball room will be available for a longer duration as this tournament may go on for 2-3 weekends (Sat and Sunday). Note that this is a serious tournament and will require commitment from players to play all their rounds over the 2/3 weekends so that there is a lot of accuracy in the ranking. If a player is a no-show, it can skewer the rankings.

Note: The format for the tournament will be announced after registrations closes, as it depends on the number of participants.

The charges for participation will be Rs. 200 per player. There is no age bar (although we feel that very young players should not participate but come to watch and learn). Players will need to register in the google form and this amount will be deducted after the tournament. Cancellations 48 hrs before the tournament starts are permitted. Only Tea/Coffee/Biscuits will be served during the tournament. Balls will be provided by the club.

Registrations close on 10th Feb.

### **Suggested Dates:**

21st Feb	Saturday	4:30pm to 9.00 pm
22nd Feb	Sunday	10:00 am to 1:30 pm
28th Feb	Saturday	4:30pm to 9.00 pm
1st March	Sunday	10:00 am to 1:30 pm
7th March	Saturday	4:30pm to 9.00 pm
8th March	Sunday	10:00 am to 1:30 pm

### **TT Tournament rules & guidelines**

- Matches on Saturday will start at 4.30 pm and may go on till 9 pm. Matches on Sunday will start at 10:00 am. All players who have registered are requested to assemble in the ball room. We will be using 4 tables so that maximum games can be played at the same time
- A win gets 2 points
- Each game is 11 points and matches will be the BEST OF 3
- After each match, the referee will hand over the scores for data entry so that the software can then allot the next table
- There are many matches to be played, therefore players are requested to be prompt and alert when their match is announced
- Referees' decision is final in case of any dispute
- This being a serious tournament, follow the rules such as tossing the ball on the serve. You can lose points if the ball is not tossed after the first warning
- Kindly bring your own bats to play. Wear non-skid shoes, as the floor is tiled and may be slippery. Balls are provided by the club
- Do not wear white shirts as it obstructs the view of the ball

## CRICKET

The 5-A-Side Tennis Ball Cricket was held after a long time and saw more than 30 players registering! Five teams battled it out, playing each other at least once, and we had some very close matches.

The Final was Sean Davis' team, who put up a mammoth score. Initially Suraj Frank's team came out with all guns firing but eventually succumbed to the huge target.

Thanks to our sponsors who made it possible to have beer and biryani for all after that.

Watch out for the League now!

T Srinivas emerged champion after a gripping final, capping off a memorable tournament with composure and timely shot-making when it mattered most. Both finalists produced an outstanding run through the draw, battling past tough opponents to earn their place in a well-deserved final.

Special mention must be made of Bhasker, a primary billiards player, who played some excellent snooker throughout the tournament and impressed with his consistency and competitive spirit. His performance was a credit to his versatility and commitment to the game.

In the end, it was Srinivas' calm under pressure and ability to seize key moments that proved decisive, allowing him to edge ahead and claim the Golden Greats.

Every year Catholic Club Orphan's Trust (CCOT) organizes a Medical Camp to provide accessible healthcare to underprivileged children and promote preventive health measures. This year we organized at RTC, St. Mary's Boy's Home, St. Patrick's, Good Shepherd and Chaitanya. All children were screened for various health parameters, like general wellness, nutrition status and early detection of potential health concerns. This proactive screening ensures timely intervention and creates a solid foundation for the children's overall growth and development. The camp was led by Dr. Bobby, who brought in a dedicated team of doctors. This ensured that each child received individual attention and proper guidance. The volunteers played a vital role in coordinating registration, assisting doctors and providing health education to the children and their caregivers.

Dr. Sunitha led this session, providing her expertise to ensure that the students received proper follow-up care. During the visit, she examined over 12 students who had been flagged for further attention, assessing each case individually to understand their specific health needs. Based on her examinations, Dr. Sunitha offered personalized consultations, educating the students about their conditions and advising them on necessary precautions and lifestyle adjustments to improve their well-being. She also prescribed medications tailored to each student's health issues, ensuring that they would receive appropriate treatment promptly. This follow-up initiative was crucial in bridging the gap between initial screening and ongoing care,
