FROM THE **PRESIDENT'S** DESK

We are the Easter People and Hallelujah is our song!

Dear Fellow Member

As we enter the month of May the club is back to its normal activities after observing the period of Lent. Summer has started and the heat is at its peak. Let's hope we have a lot more showers of rain so that the place cools off and the rest of May and June is not so hot.

The club was entertained with some superb music by DJ Neil Hoskins on the weekends. There was an entertaining evening in the first week of April, a concert of Christian Music by Dominic and friends. Though the rain tried to play spoil sport the Easter Party turned out to be a grand success with scintillating performances by Goa's leading band True Blue and our in house DJ Neil Hoskins where the members let their hair down after lent and partied till 4.30 am.

The Club is buzzing with excitement as the Premier Leagues in Snooker and Badminton is all set to kick off on the 7th and 17th of May 2022. The Auctions were fun as the owners bid for the players they wanted to represent their teams. Thanks to the Sponsors and the team owners for making these leagues happen once again this year.

The Courtyard behind the Ballroom is under renovation and is being converted into a barbeque party space. The project which is estimated at 5.5 lakhs was approved by the PPC and PFC. Members are requested to co operate in case of any inconveniences caused during this period.

The Managing Committee at its MC meeting held on 9th March 2022 resolved to hold the **71st Annual General Body meeting on 26th**

June 2022. The nomination forms will be available at the office from 30th May. Members who are interested in serving on the Managing Committee please do make some time and contribute to your club.

The Managing Committee felicitated our Club staff who are our greatest asset with their families on the 1st of May. They were provided with a lot of much deserved entertainment and a sumptuous lunch. The day ended with a high tea and each of our staff being presented with a gift voucher.

Looking forward to meeting all of you at the May Queen Ball which is scheduled on the 14th of May 2022. Ladies please register for the fashion show and show your talents on the ramp.

As the showers are here, stay blest... And as this month is dedicated to Mother Mary; May she keep your families blessed.

Warm Regards,

Ricky Patel
President

LIBRARY

I am happy to see the inflow of members and their children using the library. In the last 6 months we added more than 50 to 60 new novels to the library.

We have started getting the daily newspapers.

I wish to inform you that few of our members have donated more than 500 books to the library.

Do patronize the library and let me know if you'll need anything more of the library.

HOUSIE

April was a month with a mixture of Housie days – regular days, Bumper days and even, for the first time at our Club, a Super-Duper Bumper with 2 Lakhs in Prize Money! All days were well attended and many happy players went home with “padded” purses! Looking forward to seeing you all in May.

Summer is here & the pool is buzzing with activity. The Members have started utilizing not just the main pool to do their laps but also to bring in their kids to splash & play in our toddler & kids pool. Post swim the jacuzzi is a favourite along with a steam, even for those who come down from the gym. Through all this, the pool water has remained sparkling clear & temperature being maintained just under 29 degrees. The biggest plus point is the fact that the pool is covered so our members can utilize this even mid afternoon without worrying about the harsh sun.

The swim camps for kids, toddler & adults are being conducted & there is always lots of activity poolside, which is great to see after the 2-year lockdown.

The end of summer will be marked with a Penguin's Day Party for members, where the focus is on fun & getting families to participate in this together. All participants will get a participation certificate & have a fun filled day. Look out for the announcement of the date of this event in the next newsletter.

Let's enjoy this state of the art all weather pool through the rest of the year.
