FROM THE PRESIDENT's DESK

Dear Fellow-Member,

I would like to thank all of you dear members for restoring your faith in me and re-electing me as your President for another term. It is indeed an honor and privilege to serve the club.

It was heartening to see a large turnout during these difficult times at the 69th Annual General Body Meeting which was held on the 28th of November. Thankfully we have members who are very much interested in the Club's affairs who attended the meeting and participated constructively.

Msgr. Jayanathan enthralled us all with his address and great humour, that got him a standing ovation.

The Election Team assisted by the youth did a fantastic job completing the counting and declaring the results in record time.

Congratulations to the Members on concluding the AGM in record time of an hour and also intelligently electing a dynamic Managing Committee. The list of the dedicated Managing Committee members and their Portfolios and Sub Committees are published in this Newsletter.

I thank the outgoing members of the Managing Committee - Tushar Fernandes, Prakash Alvares, Shashi Lewis, Gregory Pacheco and Praveen Jerome for their tireless efforts over the years in improving the Club. We as a Committee recognise all the hard work done by them for the benefit of the Club.

We are into December and the festivities in the club are about to start. The Festive Season is here and our New Committee Members are working hard to ensure that all of you, along with your families have a truly enjoyable season at our Member Centric Family Club during these Pandemic times keeping in mind the safety of all and following the specified protocols of the Government. The Entertainment Committee has given a detailed account of all the programmes we have planned for you.

During this festive season let us prepare ourselves spiritually to worthily receive Baby Jesus in our hearts. Let us be generous this season and contribute to the CCOT and the Asha Foundation.

I look forward to meeting your families and you this month for the festivities as we celebrate the season of Christmas.

Wishing all you dear Members and your families a Merry Christmas in advance.

Please be socially responsible and stay safe.
Kindly ensure that you follow the safety protocols of the club.

Warm Regards,

Ricky Patel
President

November 14th – Children's Day

A day specially dedicated to all our kids and we at the Catholic Club decided it was time to welcome them back. What better way to do so than something just for them on their special day!

The Ballroom was set aside for them. Indeed, they did have a ball. 58 kids, attired colourfully and big smiles all over their faces. It was a morning of games, fun and frolic. Games to suit every age were conducted and the children were thrilled to receive prizes of painting kits, vouchers and boxes of chocolates. The photo corner with Mickey and Minnie was a favourite with the little ones while the bigger kids preferred face painting and tattoos. Thank you Preethi for being ever willing to do this for our kids. They were absolutely delighted with your creations.

With "Jerusalema" so much in the air today, the kids were taught a few steps by Joeita and were given the opportunity to showcase their moves before the carnival began. Thank you Joeita for getting them to shake a leg and much more to the delight of their parents. The success of any event depends on those involved. Thank you to each one (you know who you are) who went out of your way to make the day so special for the kids who were present.

We did hear them say, "Wasn't it fun?", "When again?" and "Thank you for giving us such a great time!"

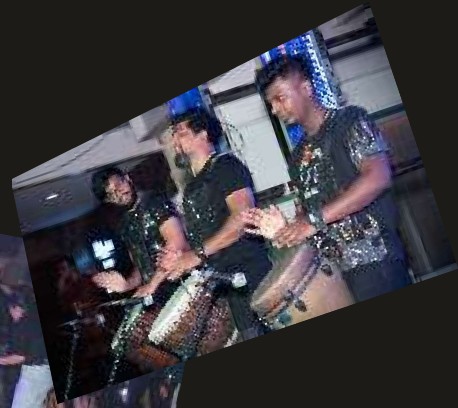

A special "Thank You" to all these kids!

HELP US

TO KEEP THESE KIDS SMILING

Last year the much awaited and celebrated Christmas Fun Day did not take place due to the Pandemic. This year we are restarting all our initiatives. Usually we were having over 850 Little Angels at the club on the first week of December "Christmas Fun Day" at the club starting with breakfast, entertainment, talent contest and dessert.

The day ends with each of them given a Goodie bag filled with daily essential/Hygiene products. This year we have decided to take Fun Day to their respective homes as a precautionary measure. We will providing Lunch/Dinner and giving a personal gift along with a Goodie Bag. We will be starting on the 5th of Dec and will reach all homes till 12th of Dec.

We therefore request you to continue with your generosity for the Orphans we support.
