

JUNE 2021

CATCH-UP!

The Catholic Club Monthly Newsletter

COMING TOGETHER

FROM THE **PRESIDENT's** DESK

Dear Fellow-Member,

Trust all of you and your near and dear ones are in good health and staying safe during these most challenging times.

We have entered into, what would have normally been the most exciting month at Catholic Club. Yes, I am talking about the buzz that precedes the Annual General Body Meeting. Unfortunately, due to the second wave of Covid-19, for the second consecutive year we will not see the usual Pre-AGM humdrum at our Club this year.

The Club closed for all activities on the 27th of April 2021 and of course every one of you is well aware of the various Lockdowns that were announced by the State Government. The Club was permitted to sell takeaway liquor from the bar from the 20th of May 2021. We in Bangalore this time were more unfortunate to be badly affected by the second wave of Covid-19 and hence the State Government was unable to lift the lockdown on the 12th of May 2021, which was extended to 7th June 2021 and now further extended to the 14th of June 2021.

We as a community have been badly affected by this second wave of this pandemic. Many of our members have been infected by the more potent virus this time around and some have, unfortunately, even succumbed to it. We pray that God protects all of us from this deadly pandemic and also for those who are unwell that they may recover soon. We especially pray for the Souls of the Dearly Departed to Rest in Peace and that their loved ones are consoled and comforted.

The Managing Committee had conducted a number of online programmes for the members which were relaxing during these stressful and frustrating times. These programmes were highly appreciated by the members.

The Youth team headed by Sean Pereira organised an Online Live Concert presented by the Catholic Club Youth Music Project in support of the BMSSS Disaster Relief Fund which was, in one word, Awesome. The concert which had some enthralling performances by the youth entertained the members for almost 2 hours. You guys are phenomenal. Seeing your performances at the Amateur NITE then at Via Dolorosa and now at the Virtual Concert, you guys never fail to surprise me with the depths of your incredible talent. To think that all of you put together this concert from your homes during the Lockdown is incredible. All of us at Catholic Club cannot be prouder of you.

A Vaccination camp in association with Cloudnine Hospital was conducted on Sunday the 6th of June 2021 for members and their friends wherein around 400 people were vaccinated. A big thank you to Marcus Pereira and our most efficient staff who assisted the Cloudnine staff to administer the vaccines in a very organised and orderly manner.

Also on Sunday the 6th of June 2021, 100 Ration kits were distributed to all our staff including the security. We are grateful to Gaven Standon and Sudeep Daniel members of the club who donated 70 of these kits and the balance 30 were donated by the MC members and Vincent Pinto of the CCOT. Thanks to all of you for your kind generosity. God bless all of you

It is the official protocol of the Club that the Annual General Body Meeting and Election of the Managing Committee must be held within 90 days from the date of the closure of the Accounts on 31st March of every year. Due to non-availability of Accounting Staff, within and outside CC from the Statutory Auditors, due to the lockdown the accounts are yet to be finalised. The process for finalisation of accounts will begin once the lockdown is lifted and the club office is allowed to function.

The Managing Committee held its regular monthly meeting in a Virtual way on 12th May 2021 and it was resolved to put up to the General Body after consulting with the Rule Book Committee, to have the Year 2021 Annual General Body Meeting and Election of the Managing Committee within 75 to 90 days after the Club has received permission from the State Government to start its operations, including social gatherings.

Please watch for our messages announcing the Anti-Covid Vaccination camps which will be held at the Club from time to time. Please be Socially Responsible and Stay Safe. Kindly ensure that you follow the safety protocols of the club.

Warm Regards

AYURVEDA

The True Way to Restore
Your Health and Happiness

Saturday, June 12 at 6 pm

A beginners's guide to essential scientific and useful Ayurvedic practices
AYURVEDA The True Way to Restore Your Health and Happiness.

Here is a true beginner's guide to essential, scientific and useful Ayurvedic practices. The book 'Ayurveda' – A true way to restore your health and happiness is a recent release by Dr G.G. Gangadharan who is a champion for Ayurveda for the past three and a half decades! He points out that our bodies are intelligent systems designed to keep most diseases at bay but we must pay more attention to the signals they give us. Doing so comes

with the implicit promise of true restoration. It is a promise to restore your body and mind to its initial healthy state. Ayurveda has so much to offer; its simple application can transform daily life. In this book, you will find the secret to greater happiness through balance and long-lasting health-the idea that healthcare must address the individual as a whole and not just the disease.

RATION KIT DISTRIBUTION

Hi Ricky & the CC MIC team

it is with immense pride & appreciation I would like to thank you for stepping forward in helping our staff in the club with grocery kits. As the saying goes "your character is defined by the way you make people feel", hats off to the CC team as you exhibited this trait. The reason Mr Sudeep Daniel & myself came up with this small gesture was to repay our dues to the staff for their selfless service and fortitude exhibited during these very trying times.

I have seen this epidemic destroy families & livelihood of people at very close quarters. This triggered us to do a small bit to help the staff & their families. I must commend the leadership of Ricky and your speed to action on this drive along with the inclusive nature of the MIC team by pooling their might for a good cause,

Please continue the selfless service for the community.
Best Regards,

Gaven Standon
