DONOT GROW TIRED OF DONG GOOD IN PREPARATION FOR LENT

~ POPE FRANCIS
2022

FROM THE **PRESIDENT's** DESK

Dear Fellow Members,

As we enter the season of Lent, entertainment will take the back seat and our Lenten Recollection programmes will be held every Friday. These programmes will help us reflect on our spiritual lives and to thank the Lord for all that he has given us. The first recollection was a very interesting session conducted and blessed by our Spiritual Advisor Msgr. Jayanathan. We will be having many more interesting sessions being conducted every Friday by many other talented preachers. I look forward to meeting you dear members at these programmes. Please do attend in large numbers.

After the Government lifted the restrictions imposed during night and weekend curfews, the month of February saw the month of love celebrated with great fervour at the club with the band 'Zhane' giving a scintillating performance at Valentino's. The month was truly a 'Blast before the Fast!'. The activities and entertainment were nonstop and highly entertaining in all departments. The Members and their guests attended the Noon to Moon Carnival in large numbers and the club was colourfully decorated on that day which put everyone in a very festive mood. The performance by King Momo and his troupe in the parade was spectacular. Our Emcee Brandon Dailey kept the crowd entertained and on their feet with some awesome music from Goa's leading band A26, who were mind blowing and 'DJ Neil' who performed till late at night.

It was indeed heartening to see the number of youth who participated in the Amateur nite which was well organised and showcased some great talent.

Sunday brunches will continue as usual with soft music performed by two piece bands. There will also be a gospel musical evening on Saturday the 9th of April 2022 by Domnic Dcruz. Don't miss this event...be there.

A video regarding the misbehaviour of a Member along with his Son, abusing our Club Staff at an Event held at our Club on the 13th of Feb had gone viral due to irresponsible forwards by certain Members and their Guests who recorded the video of this unfortunate incident. The Management would like to assure the Members that appropriate disciplinary action has already been initiated against the offenders who indulged in physical & verbal abuse of the Club Staff. Members are requested not to indulge in such activities that are detrimental to the image of our Club. The Club belongs to all of us as Members and let us not indulge in social media activities that are detrimental to our Club.

May God give us the grace to reflect on our spiritual lives and be more charitable during this season of Lent. God bless all of you and your families my dear members.
