FROM THE PRESIDENT'S DESK

Dear Fellow-Member,

Trust all of you are in the best of health and spirits and pray that it will stay with you for a long time to come.

Though Bangalore is still under night curfew the pandemic situation in Bangalore seems to have improved tremendously. Let us pray that this situation continues and also all of us continue to behave responsible manner socially.

With this improved situation and more restrictions being removed by the Government, the Managing Committee in a joint meeting with the Rule Book Committee after discussing the current situation decided to conduct the 69th Annual General Body Meeting in the month of November. Notice will be sent out shortly announcing the date of the AGM.

The Sunday brunches continue to rock with some scintillating performances from the live bands and our in house DJ Neil Hoskins which keep the crowds swaying on the dance floor. The music is complimented by some tasty food curated by our caterer's. Plan B, a Pub serving beer and American, Continental and Bar food has rented out the space in Thomas Building where previously Grill House was located. They will be serving the members in the club, food at a 20% discount. Please do avail of this facility.

The Entertainment Committee plans to organise the Octobee Fest on Sunday the 24th of October which will be a Noon to Moon event with the Goan band True Blue in attendance. Be there and enjoy the music, beer and German sausages. We thank Kingfisher and Pernod Ricard for sponsoring this event.

The Youth Committee is also organising a treat for the youth and other members on the Saturday the 30th October, Trick or treat - don't miss this!

Congratulations to our member Lally Vincent who reached the quarter finals of the Senior Nationals in the 50+ category on the 25th of September 2021 in Goa and also for being selected to represent India in Spain. We are proud of you and wishing you the very best in all future tournaments.

The Badminton Courts will be closed for a while as renovation of the floor is in progress. Members are requested to cooperate till the courts reopen.

With more vaccinations happening and a large majority of the population in Karnataka being vaccinated we are definitely heading towards building a stronger immunity system to help us fight against Covid. Our staff are being tested (RT-PCR) every two weeks for the last 5 months and we are pleased to inform you that none have tested positive.

Please be Socially Responsible get vaccinated and Stay Safe. Kindly ensure that you follow the safety protocols of the club.

Warm Regards, Cheers!

OCTOBER

A month of Abundance...

**There will be blessings in the city, blessings in the country.
Plenty of children and plenty to feed them.
Plenty of sheep and cattle, plenty of fruit and bread.
Blessings when you're coming in. Blessings when you're going out.**

The month of October is an extraordinary time in the Catholic Church,

Not only is it Respect for Life Month, it is also the month of the Rosary - two traditions that reflect the beauty and distinctiveness of Catholic Christianity. And so do the lives of the Saints.

If we consider the power of the Rosary as seen in its effects, we find a great abundance of proofs of its wonderful value. Many are the favours granted to private individuals through its devout recitation,

So keep praying in faith... that this pandemic is over and look forward to a more fulfilling new tomorrow,
