HARVEST BLESSINGS.”**

FROM THE **PRESIDENT's** DESK

Dear Fellow-Member,

Come September and we are all hoping for a better month though we are unable to plan anything as the night curfew still continues. This coming month we hope that the pandemic situation improves to a great extent. With more vaccinations happening we are definitely heading towards building a stronger immunity system to help us fight against Covid. Please do continue to follow the required safety protocols outside and inside the club by wearing masks and keeping social distance whenever required.

Though July was a quiet month with a few online programmes organised, there was a tribute celebrating the life of Fr. Stan Swamy on the 23rd of July 2021 by the Faith Committee. Our Archbishop His Grace Most Rev Dr. Peter Machado was the Chief Guest. It was very well attended by the laity, priests and the Jesuit Fathers.

Our Family Day which coincidentally falls on the same day as Independence Day and The Feast of Our Assumption of Our Lady was celebrated this year, again on a low key. The Day started with breakfast and the Flag Hoisting at 10am followed by Holy mass at 11.15 at St. Patrick's Church which was celebrated by Msgr. Francis Chinnappa. This was followed by our regular delicious Sunday Brunch provided by all our caterers with a live band performing for the afternoon. We were honoured to have our friend MLA Mr. N. A. Harris in our midst for a while. It is always a pleasure having him with us for our celebrations.

We had a lavish feast for Onam at the Club, Ladies and gents alike, dressed in the traditional outfits, keeping in line with the day of harvest. Well attended, with a splash of rain to start the day! The traditional lamp lighting was followed by the Onam Sadhya which was catered by Mangalya Caterers (reputed Kerala Cuisine). The members and their guests enjoyed the delicious spread which consisted of both veg and non veg specialities.

The Sunday Brunches continue to rock the club with live music and some great food curated by our caterers. Going forward, Don't miss our SUNDAY SUN DOWNERS! From **September to November every 2nd & 3rd Sunday - The Gordon's Sundowner** where Gordon's London Dry brings you a selection of cocktails curated by their brand Ambassador with something to suit all palates. The **1st and last Sundays** in this period will be sponsored **by Pernod Ricard International**.

Members are also back to play Housie which they enjoy on Sunday Evenings.

Please do patronise all Sporting Departments, and keep yourselves fit, building your immunity. All safety protocols are followed, for the safety of all.

A Vaccination Camp (thanks to Mr. Harris) was organised for the staff 18-45 years on the 21st of August 2021, so that they could complete their second dose. We are pleased to inform our members that **our entire staff is fully vaccinated** and we also continue to get their RT-PCR done every two weeks.

Please be socially responsible, get vaccinated and stay safe. Kindly ensure that you follow the safety protocols of the club.

Warm Regards

It was really a fun evening for those who "braved" it at **the Horror Theme - What's the Good Word** held on Friday the 13th!

With several newcomers present, it was decided to have it as a non-competitive event – This only added to the fun!

Thanks to Gavin Cordeiro and Shonali Chenzira for organising it. Look out for the next edition in September.

Kabir Bedi,

an international star and a man—like all men—with strengths and frailties.

As Kabir bares his soul, the stories come tumbling out.

These are tumultuous stories set in Hollywood, Bollywood and Europe. The joys of blazing new trails abroad, and the dangers of them. He also tells the fascinating love story of his Indian father, a philosopher in Europe, and his British-born mother, the world's highest-ranked Buddhist nun. And most poignant of all, the battle to save his schizophrenic son.

Stories I Must Tell is the unusually candid and compelling memoir of a man who holds nothing back, in love or in storytelling. It is the story of a middle-class boy from Delhi whose career now spans the globe. Equally, it is the tale of how he survived the roller-coaster journey of the making, unmaking and remaking of him as a person.

ibrowse Book Club features

Vir Sanghvi's - A Rude Life!

On the 18th of August 2021, the iBrowse Book Club featured Vir Sanghvi's new book 'A Rude Life!' in which he turns his dispassionate observer's gaze on himself, and in taut prose tells us about all that he's experienced, and nothing more for he's still a private man. In conversation with Sameera Fernandes, MIC- iBrowse Book Club, the insightful session touched upon vital milestones of Vir's journey and recounted memories from his childhood and college years, moving on to give us an understanding of how he wrote his biggest stories, while giving us an insider's view into the politics and glamour of that time.
