Barely the day started and... it's already dusk.
The week has slipped by and the month is already over.
Where did this year go?

40, 50 or 60 years of our lives have passed,
... and some of us have lost our parents, friends and
we realize it's too late to go back...

So despite everything, try to enjoy the remaining time...
Looking for activities that we like... Put some colour in our grey,
Smile at the little things in life that put balm in our hearts.
And despite everything,
continue to enjoy with serenity this time we have left.

So 2021 here we come!

Afterwards

promises are forgotten...
the day becomes the night...
life ends... And then it's often too late...

So... Leave nothing for later...
Because we can lose the best moments,
the best experiences, best friends, the best family...

The day is today...

The moment is now

If you have the chance to make people happy, just do it. Sometimes people are struggling silently. Maybe, your act of kindness can make their day.

We at CCOT are trying to do our bit by helping the Orphanages under CCOT, by donating Ration kits, Masks, Oximeters, Temperature Guns, Sanitizers. This year we will not be in a position to host the Fun Day, the annual Christmas Party for the children.

At one of the Homes - Asha deep we have initiated an educational programme conducted by Enfold called "Child-Friendly Child Care Home through Restorative Practices" which will empower the children to lead a better life. This Home is also facing a resource crunch for payment of their fees for education as their funding is affected due to the pandemic. They are facing a shortfall of Rs. 4 Lakhs. We therefore request the members for donations in helping them in fulfilling their needs.

All donations to CCOT are eligible for 80G benefit under the Income Tax Act. Kindly contact Amit or John, at the CC office for any assistance.
